Quilts = Healing!

Lewis Clark Quilts of Valor Aug. 2023

Welcoming New Members - At the Seaport Quilt Show in April, we received LCQOV membership forms for three new members—Kari Lineberry, Elizabeth “Liz” Scarano, and Bonnie Schacher. They are also members of the Seaport Quilters Guild, so you may already know them.

Palouse Patchers QOV Members join Lewis Clark QOV –

For two years, Lana Tout has searched for a GL replacement. This proved unsuccessful, and the group did not renew its quest for the QOVF members, and through Samy Owen, Idaho State Coordinator, our LCQOV membership is growing by 10-12 members. Our geographic area has greatly expanded! Our group will now include members in Moscow, Pullman, Troy, Viola and Deary. Lana will continue to make QOV awards as needed in these areas. NOTE: The Palouse Patchers Quilters Guild is a separate entity and is functioning as usual.

August Sew Day! Please Join Us! Inviting all new members (and old) to come sew with us, Monday, **August 7** starting at 9AM at the First Church of God, 910 Sycamore, in Clarkston. Bring your projects, tools, materials, lunch and beverages—limited kits will be available. There will be quilts with labels to stitch on and corners to finish, and maybe a quilt or two with bindings to complete.

LCQOV 1st U.S. Space Force

Award Dawna Glenn awarded a QOV to Daniel Pielak on Wednesday, 7/19/23, at Airport Park in Lewiston. From her email sent with this picture: He said this wasn't at all what he was expecting. He loved the quilt! He said “I know it's hot out, but I don't want to take it off.” He was very appreciative of not only the quilt but what we do for our military. Daniel is currently serving with the U.S. Space Force (our first-ever awardee for this military branch), and was home on leave to visit his wife's family in Clarkston. He served in the U.S. Air Force from 2012-2020, then was selected for the U.S. Space Force in 2020. His quilt was made by Cathy Iseminger and quilted/bound by Kelly McKeehan

Crazy 8 Shop Run – Wednesday-Saturday, 8/2-8/5, 9AM-5PM each day. Participating shops = Becky's Fabrics; Home Grown Quilts; Palouse River Quilts; Rather-Be's; RebsFabStash; Stitches & Petals; Wild Hare; and

Your Best Friends Quilt Shop. It's a good chance to support our local quilts shops. At this time, Becky's has some patriotic fabric for \$7.99/yd which is a bargain!

RADIALS 'N RIVERS Air Show – Special thanks to Nancy Sattler and Judy Howard, who went above and beyond in the HEAT to set up and take down the LCQOV booth. Big thanks to Betty Kendrick and Pam Beeson-Jones for your time. Our Air Show Raffle Quilt brought in \$266, and the donation jars netted another \$136. GOOD JOB! The Raffle Quilt winner was Nancy Broyles, co-owner of Riverport Brewing Co. in Clarkston, and she plans to display the quilt! It was a HUGE privilege to make these QOV Awards at the air show: Guest of Honor, Clarence Bud Anderson, (center) the only living Triple-Ace WWII Pilot, served in the U.S. Army Air Corps & Air Force from 1942-1972;

Bud's son, Jim Anderson, (left) served in the U.S. Air Force from 1969-1989; and their friend, Ray Hollywood Fowler, (right) currently serving in the U.S. Air Force since 1997. Bud's quilt was pieced by Cathy Iseminger;

quilted/bound by Nancy Sattler; Jim's quilt was pieced/bound by Connie Lorenz; quilted by Alice Gwinn; and Ray's quilt was pieced by Lynette Storey; quilted/bound by Judy Howard.

A New Go-To Pattern!

Kelly McKeehan and I have both tried this pattern. I LOVE LOVE it and it is so much fun! It uses 29 different fabrics 4" x 30". On the left is the pastel version and then it was made into a patriotic pattern. Available on the Facebook page, “Just Us Quilters” under “files”. It was a Saturday Sew-A-Long by Susie Tillotson Gray. I will bring a few copies to sew day.

Notes from a longarmer...

After piecing your quilt top, take it to your ironing board and press it *wrong-side-up*. Flip it over and press it *right-side-up*. Use a lint roller and sharp scissors to remove any stray threads from the right side of the quilt top. Check for any seams that have come open and need re-sewn. Thank You!!
