

Lewis Clark Quilts of Valor Dec. 2023

No Sew Day – December January Sew Day

Due to New Year's Day on Monday, 1/1/24, our January Sew Day is moved to Monday, 1/8/24, at the First Church of God in Clarkston, starting at 9AM.

A picture is worth 1000 words!

This says it all!

Kay Curran awarded this quilt to her neighbor, Joshua Hedges, on Nov. 23. I love the daughter peeking out from under the quilt! The quilt was made by Kay, quilted by

Alice Gwinn, bound by Kay. Joshua is in the Idaho Army National Guard

Warren Watts

Warren was awarded with his QOV Nov. 23 by his daughter and grandson during their family Thanksgiving gathering on 11/23/23. Pictured with him are his three proud grandsons!

Warren served in the U.S. Army from 1953-1955, and he turned 90 years of age this summer. His QOV was pieced/bound by family friend, Sue Krueger, and quilted by Judy Howard.

Pomeroy Awards

Five veterans received their QOV's on Nov. 8 at the Veteran's Day program at Pomeroy School district. Those receiving were Mike Lockard, Navy; Dan Lyman, USMC; Simeon Crossfield, Coast Guard; Frank Slusser, Navy; and Tom Frierson, Army. The quilts were made from contributions from June Moore, Sharon Ledbetter, Alice Gwinn and were quilted and bound by Alice. I was assisted with the awards by 2 of the men's children.

National Sew Day

Saturday, 2/3/24. LCQOV will meet at the First Church of God in Clarkston, starting at 9AM, with QOV Awards at 10AM in the church sanctuary. We need a small team of 2-3 people to

spearhead this NSD event, which includes providing lunch. Please contact Becky to help with this special QOVF day!

A Huge thank you!

To Becky Mahurin, Dawna Glenn, and all others who were part of the QOV awardings this past November. This is a huge effort to make sure all the quilts are organized and contacting the recipients. This was made extremely challenging with the postponements of the awardings. We are already working on quilts to be awarded on National Sew Day!

*****We must remember our veterans and there are so many ways. The Elks has a giving tree for the Veteran's Home, The Wreaths across America could use volunteers, the list goes on and on but I know we do what we are able to. You never know when our efforts are awarded. My husband out of the blue received a "Veteran's Coin" from a Vietnam veteran the other day and I had an unexpected lunch with a veteran who he says I gave him a quilt in 2018. Don't remember, doesn't matter, HE remembers.
