

Lewis Clark Quilts of Valor July, 2022

July Sew Day – due to the July 4 Holiday, this sew

day is moved to Monday, 7/11/22, starting at 9AM (no awards) at First Church of God in Clarkston. Bring your project, tools, materials. There will be some handwork available—labels to be sewn onto quilts and the corners finished. Bring your lunch, and beverage to enjoy in a day of sewing. See you there!

Help! We have acquired fabric and quilt tops from June Moore of Royal City from her QOV days. Every time we think we have quilted the last “Al Lind” quilt, we find more. Alice Gwinn came home with 7 boxes of quilt tops, backings, etc. etc. and many bolts of fabric that June is giving to us for Quilts of Valor. Not all the quilts are Al’s quilts. Members may be seeing these at the sew days in help to get bindings etc. and get them ready for presentation.

CLASS REUNION AWARDS – 1962 STYLE

Meet Dennis Johnson (l.) and Lavella Weddle (r.) of the CHS Class of 192. Ruth Hamrin met them at her husband Larry’s 60th Class Reunion on Monday, 6/20/22. After learning they were veterans and a following quick scramble for LCQOV quilts, Ruth was able to make awards to them the next evening (6/21) during banquet program. Dennis served in the U.S. Navy from 1962-1965, plus 7 years in the

Reserves. His QOV was pieced by Ruth Hamrin; quilted/bound by Judy Howard. Lavelle served in the U.S. Navy from 1962-1964, plus in the Reserves to 1967. His QOV was pieced by LCQOV Members; quilted/bound by Judy Howard. Ruth said tears were shed by their classmates, and especially

the many by Dennis. Through the course of the evening, she collected names of seven more potential QOV recipients for LCQOV!

LEWISTON ELKS LODGE FLAG DAY ACTIVITIES 6/10/22

The Lewiston Elks Lodge held a Flag Retirement Ceremony, conducted by the Alice Whitman Chapter, NSDAR, during which 35 used U.S. flags were respectfully retired. Following this service, LCQOV members made QOV awards to 15 veterans. The veterans we honored represented 64 years of U.S. military history, and their combined service is a total of 163 years.
